RULES

The method of play will be Captain's Choice (Florida Best Ball). Each player will hit a ball from the White tees (Men) or Red tees (Women). The team will then select the best shot and each team member will play their second shot from this position (up to one club length allowed). The placement must not improve the lie or move closer to the pin. The same rule will apply to additional shots, if necessary, and to putting. You will count the best shot of each team from each lie as one stroke. Turn in final score cards after end of play.

You must use the first shot of each member of the foursome at least two times.

Mulligans that may be used as another shot, are also available. A Mulligan Pack is available for \$25 and includes 2 mulligans. Each team is only allowed 4 mulligan packs. If the team buys 4 packs, every player on that team will get to tee off at the 150 yard marker on Hole #8.
